# Performance & Milage

by

# 10 - 20 %

Save Fuel Wastage

Keep Pollution Under Control

## BURN ALL <sup>A</sup>

Improves Pick-Up & Mileage

Carbon Free Engine, Eco-Friendly, Extra Mileage

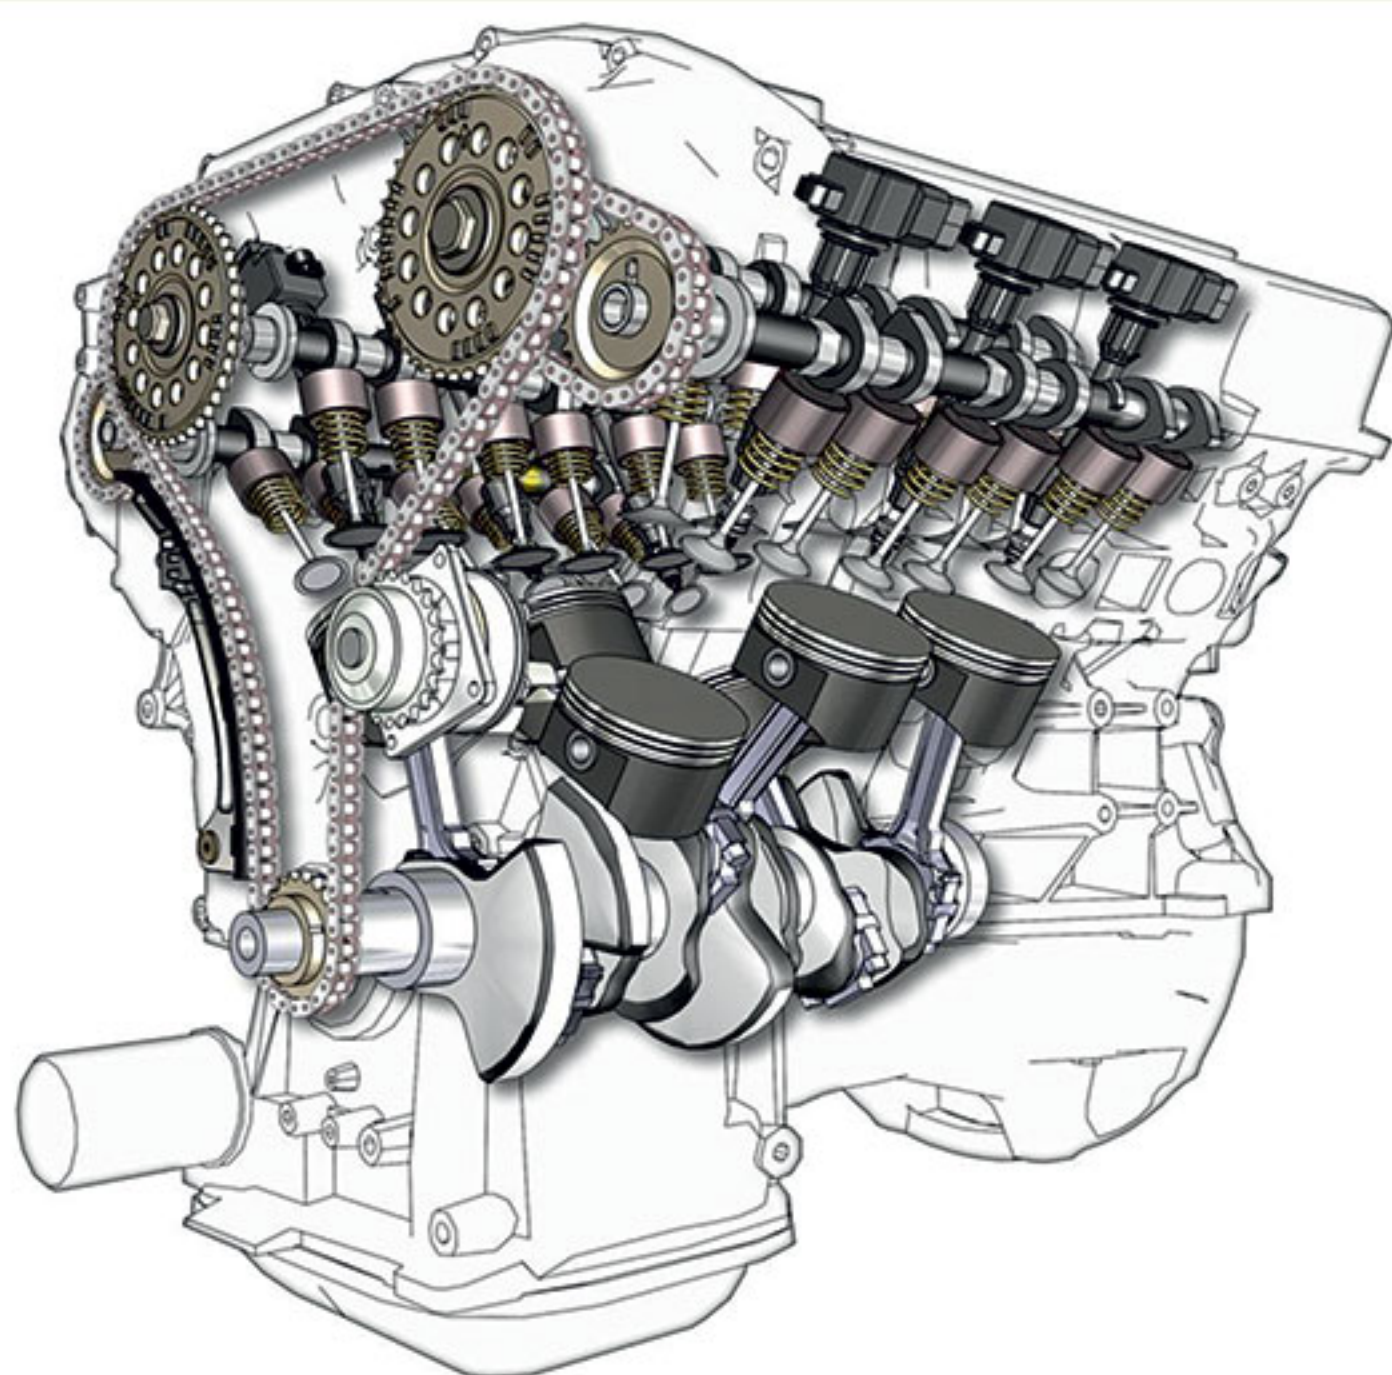

**Value for Money:** Burn-All (A) Improves Milage up to 20%.

**Pollution:** Burn-All (A) Reduce Harmful emissions.

**Carbon Deposits:** Burn-All (A) Reduces residual carbon after burning up to 75%

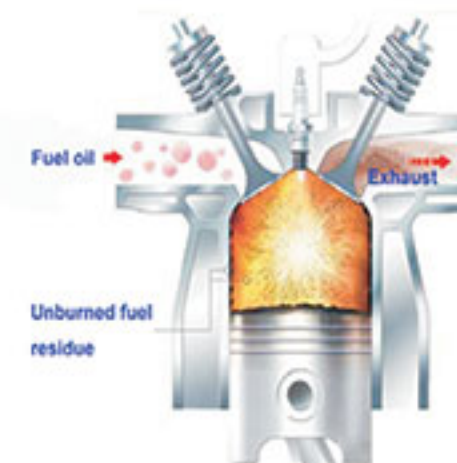

**Improved Pickup:** Detergent & Solvent action of Burn-All (A) keeps injectors clean which improves overall engine & Fuel Pump performance.

**Dosage:** 1 ml Burn-All (A) for 1 to 2 Ltr. Fuel.

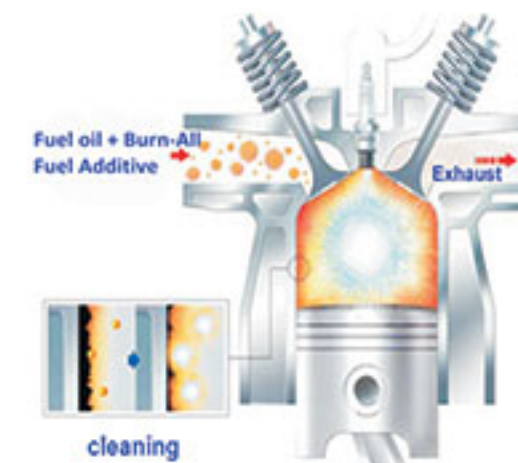

Engine Condition in normal operation without use of any Fuel-Additive

Effect of Nano Particles present in multifunctional Fuel Additive Burn - All on combustion and carbon deposits

CHOKED INJECTOR

CLEAN INJECTOR

Steady Flow of Fuel improve Smoothness & Pick up in Engine
